

HOW TO USE EZY DUMP

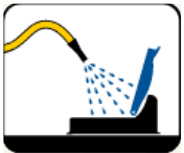

CARTRIDGE DUMP:

Waste cartridge contents can be safely poured into the Dump Ezy. The lid will stay open so that only one person is needed for the operation.

HOSE DUMP:

Onboard waste storage dumping can be done directly from the vehicle to the Dump Ezy using a flexible hose. The drain orifice is 150mm in diameter and can accept all hoses up to this size. To assist a single user, the lid can be closed to hold the hose.

WASH DOWN:

Hose down the Dump Ezy using the adjacent hose. The hose can be used to clean equipment and leaves the Dump Ezy clean for the next user.

CLOSE LID:

Once the wash down has been performed, close the lid to ensure the waste system is sealed.

KINGSTON SE RV PARK

Up to 72 Hours - \$10 fee applicable

The Kingston RV Park offers a 72 hour stay for just \$10 and is situated right on the beach front, adjacent to the Lions Park and within easy walking distance from local shops.

The RV Park allows motor homes, caravans, camper vans, wicker vans and 4x4 campers.

BEACH CAMPING

Camping on local beaches is permitted except for the area between the Kingston southern groyne and the beach access adjacent to the Wyomi Store. Camping in the sand dunes or in areas of vegetation is not permitted. Please adhere to fire restrictions and be aware of tides.

SULLAGE DUMPING

Kingston has a dump ezy sullage point located at the 72 hour RV Park. Town water is also available here. This facility is free to use. Please see other side of brochure for instructions on the use of the Dump Ezy.

For more information please visit our Visitor Information Outlet located at the Council.
