GREEN ORGANICS WASTE

Green organics waste can be disposed of at **NO COST** at the Green Waste Depot located on Adam Road, Kingston SE, opposite the entrance to the Council's Works Depot. Green waste **ONLY** is to be dumped at this site.

Green waste includes:

- Lawn clippings
- Garden waste
- Weeds
- Bushes and shrubs,
- Small tree branches up to 100mm in diameter

For any larger tree branches or stumps, please contact the Council office on 8767 2033 for alternate arrangements.

SECTION 3 - WASTE BIN

SECTION 4 - RECYCLING BIN

SECTION 5 - RECYCLE AND WASTE TRANSFER STATION

CORRECT BIN PLACEMENT

Where practical keep a minimum distance of 30cm between bins, and 1 metre between bins and parked cars, street trees, stobie poles and letter boxes

BIN COLLECTIONS

To ensure your bins are emptied on your scheduled collection day you need to:

- Put the bins out by 7am on the day of pick up and bring them back in within 24 hours of collection
- Face each bin towards the road - wheels towards the house
- Bins should be a minimum of 30cm apart and 1 metre between bins and parked cars, street trees, stobie poles and letterboxes
- Place the right material in the right bin (See Sections 3-5 for more information)
- Make sure your waste is not packed too tightly (Keep your bin's weight under 75kg)
- Don't overfill your bin and make sure the lid can close.

For all kerbside collection enquires – including missed collections, damaged bins or conduct and courtesy of vehicle drivers call Veolia on 08 8724 8121.

For all other waste enquires, call Kingston District Council on 08 8767 2033.

CORRECT Bins 30cm apart with lids closed

WRONG Bins too close and overfull

SECTION 5 - RECYCLE AND WASTE TRANSFER STATION

HOW TO USE YOUR WASTE BIN CORRECTLY

You can reduce what goes into your waste bin by doing the following:

AVOID waste in the first place

- Refuse junk mail if you don't want to read it
- Share magazines and newspapers or access them online.

REDUCE what you throw away

- Set up a compost bin and worm farm
- Buy in bulk and products with minimal packaging
- Repair before replacing.

REUSE materials in an innovative way

- Buy items in refillable containers
- Reuse containers for storing food, pens, buttons, screws etc.

RECYCLE products to save natural resources

- Close the loop and buy recycled products
- Use your recycling bin or your local recycling depot.

WASTE

Your waste bin is the smaller 140 litre bin with the red lid. Please check the bin collections section for your collection day.

Collected: weekly

WHAT GOES IN THE WASTE BIN?

- Any remaining items that cannot be recycled or composted
- Plastic bags, garbage bags, non-recyclable plastic and food packaging (e.g. chip packets)
- Crockery, broken glass, mirrors, etc
- Plastic bags, polystyrene, foam, cling film
- Alkaline batteries
- Nappies or
- Ropes and hoses.

WHAT DOES NOT GO IN THE WASTE BIN?

- All liquid waste, building and construction waste (including rocks and earth)
- Hot ashes, hazardous or radioactive materials
- Flares, ammunition or explosives
- Medical waste
- Automobile parts or
- Gas cylinders.

WHAT CAN I PUT IN MY RECYCLING BIN?

RECYCLING

Your recycling bin is the 240 litre bin with the green lid. All recycling bins are collected fortnightly on a Thursday. See calendar for details.

Collected: fortnightly on the days in green on the calendar

WHAT GOES IN THE RECYCLING BIN?

- Tins and cans
- All glass bottles and jars (rinsed and with lids off)
- Paper and cardboard (newspapers, magazines, envelopes, junk mail, egg cartons, cardboard boxes – flattened)
- Liquid paperboard cartons (e.g. juice & milk cartons – rinsed)
- Aluminium and steel cans
- Clean plant pots and seedling tubs
- All rigid plastic containers (e.g. plastic drink bottles, detergent bottles, yoghurt, icecream and margarine containers – rinsed and lids off) or
- Empty pizza boxes, rinsed takeaway coffee cups.

DO NOT

- Do not bundle newspaper or cardboard.
- Do not put your recycling in plastic bags.
- Do not use bin liners.
- Do not mix recyclable e.g. putting cans in boxes.
- **Do not place polystyrene in your recycling bin.**
- Do not place green waste in your recycling bin.

RECYCLING TIPS

- Hard, rigid plastic lids can be collected in a plastic bottle (such as a milk bottle) and placed in the recycling bin with the lid off.
- If you can scrunch a piece of plastic packaging in your hand it can not be recycled and needs to be put into your red lidded bin.
- Remove all lids from jars, bottles and plastic containers before putting them in the bin.
- Rinse containers as necessary - save water, use leftover dishwater.
- Place all recyclables loose into the bin.

WASTE TRANSFER STATION

Types of waste accepted at Council's Waste Transfer Stations

ACCEPTED WASTE

- Plastic bottles and aluminium cans
- Paper and cardboard
- Scrap metal
- E-waste (extra charge)
- Hard waste (domestic quantities of construction and/or demolition materials)
- Mattresses (extra charge)
- Lounge suites (extra charge)
- Paint – Hardened (no wet paint)
- Batteries
- Empty chemical containers through drumMUSTER program. Contact Council on 8767 2033 for details.
